

March 6, 2017

Our condolences go out to the affected families involved in this tragic event.

The Walden Fire District wishes to clarify that Dennis Wilson, Jr. was not an active/in service member at the time of the motor vehicle accident this past Saturday. Mr. Wilson was not responding to an emergency or in any way participating in any fire department event at the time of the accident, nor was he currently serving as Captain or any other position of authority.

Therefore, the Walden Fire District cannot comment about the incident but will only state that Mr. Wilson has not been able to respond to emergencies since prior to the accident and remains unable to respond to emergencies until further notice.

Board of Fire Commissioners

Roy Werner
Commissioner
Walden Fire District
